

# Podcasts: Starting to flip the classroom

Michael Lower

Associate Professor, LLB Programme  
Director, Assistant Dean (UG Studies)  
Faculty of Law

# Context

**Podcasts**

**E-books**

**Blog**

# Flipping

- Students have the core knowledge before they come to class
- Classroom time can be spent working on tasks (with teacher present to help)
- Create experts within the group

# To keep in mind

- Balance
- Create opportunities to follow up discussion out of class
- Extra dimensions:
  - Impact
  - Open learning
  - Platform for distance learning?
